PROFILE

Full-stack developer with 2+ years of experience building scalable web applications, APIs and CRM integrations. Specialised in Next.js, React and Node.js, with backend expertise in Java Spring Boot and cloud deployment on AWS and Vercel. Currently leading web development for a multi-brand real estate and investment group across Dubai and Spain. Oracle Cloud Infrastructure certified.

PROFESSIONAL EXPERIENCE

Full-Stack Developer 06/2026 – Present | Dubai, UAE
Rino Invest Group — Real Estate & Investment (Dubai & Spain)

- Own full-stack development of four brand websites with **Next.js, React and Node.js**, deployed on **Vercel** and **AWS App Runner** with **Amazon S3**.
- Architected a property-listing **admin panel and REST backend**, synchronised with the **Bitrix24 Property API**.
- Built an automated lead pipeline from website forms into **Bitrix24 CRM** with email workflows; integrating **WhatsApp Business API**.
- Secured all lead forms with **Cloudflare Turnstile**, blocking spam submissions to the CRM.
- Led **technical SEO and AEO** across all sites — Schema.org, llms.txt and multilingual keyword strategy — achieving indexing by AI search engines.
- Implemented **Google Tag Manager, GA4 and Google Ads** tracking, and redesigned rinoproperties.com with project launch landing pages.

Full-Stack Developer & IT Support 04/2025 – 06/2026 | Dubai, UAE
Phoenix Dison Tec LLC

- Developed enterprise ERP modules (**HRMS, CRM, Payroll, Inventory**) with **React, Angular, Node.js, TypeScript and PostgreSQL**.
- Built secure **REST APIs** with **JWT authentication and RBAC**; improved performance via lazy loading and API optimisation.
- Automated business workflows with **n8n and the OpenAI API**.

Software Developer 09/2024 – 03/2025 | India
Molsys Pvt Ltd

- Built **Java Spring Boot** backend services and REST APIs for production systems, including **DNAlyst**, a health-tech platform (**MySQL, JPA, JWT**).
- Optimised database queries and backend logic for faster response times in an **Agile** team.

Full-Stack Development Intern 05/2024 – 08/2024 | India
Yenepoya Technology Incubator

- Built responsive web applications with **JavaScript, PHP and MySQL**, including schema design and query optimisation.
